

Lebanon Square Circlers

Mainstream Class Notes November 20th, 2002

The following definitions can be found at: ceder.net/def/class_notes.php

The moves we taught Sunday are:

Cloverleaf

The general action of a Cloverleaf has the active dancers walking in a 3/4 circle, staying in their own quadrant of the set. A cloverleaf ramp at a highway intersection or the edge of one leaf of a four-leaf clover gives a good visual picture of the dance path.

Zoom

Lead dancer walks in a full circle, turning away from the center point, and ending up on the spot of the trailing dancer. The trailing dancer walks forward to take the spot of the lead dancer.

Wheel Around

Starting formation - couple. The couple, working as a unit, turns around (180°). The left-hand dancer backs up while the right hand dancer moves forward. The pivot point is the handhold between the two dancers.
